QUALITY

No Fillers. The only ingredient is pure fenbendazol. The capsule shells are plant-based (vegan). Other products on the market contain fillers.

Each batch of Fenben LAB Fenbendazol is analysed for purity and quality in an independent certified third-party laboratory. You can find this Analysis Report inside each product packaging or by clicking on the 'Analysis Report' icon on our website.

We supply you with a quality and pure fenbendazol product. Our name, which has established itself, guarantees that you are choosing a quality product. **Quality of our product is number one for Fenben Lab team.**
